

Executive Board Travel Expectations

Below you will find the training schedule established for the 2010-2011 Executive Board. If you are running for a position, or voted into a position please note that these trips are a part of your DUTIES, and you are required to attend to remain in good standing. The cost of all of these trips are covered by FJCCSGA, and neither you nor your college has to cover the costs of these trips. Please plan your class schedule with these trips in mind. In the Fall Term there is an optional trip in September (over a weekend) and the November event where you will be gone from Tuesday to Friday. In the Spring Term you will be missing nearly 2 weeks of class with the February state conference and the Rally in Tally. Please schedule accordingly. All other events are planned while classes are not in session.
